

# Learning...Achieving...Succeeding

The Grasslands Board of Trustees would like to thank everyone who took part in the Grasslands Public Schools' Motto Contest. In total, we had 155 entries! The contest was open to students, staff, and the public and, after a lengthy selection process (as we had many excellent suggestions!), the top 10 entries were presented to the Board of Trustees for their consideration. In the end, the motto chosen was:

Grasslands Public Schools - Learning...Achieving...Succeeding...

This motto is what our jurisdiction is all about, for both our students and our staff. We are very fortunate to have dedicated staff who are lifelong learners and who are constantly trying to make our jurisdiction the best it can be. In doing so, they are continually learning, achieving and succeeding.

We are also very fortunate to have hardworking and responsible students. As a jurisdiction, we strive to provide the best educational opportunities possible for these students so that they are learning, achieving and succeeding each and every day.
